Really...how hard is Chemistry? | allnurses

The organic stuff is a little different, a lot of memorizing, but not nearly the level of memorization as an anatomy class. I thought it was really interesting. I thought it was really interesting. But Chem is definitely not a class you can cram for the night before.

from Organic Chemistry

in organic chemistry and a description of the way that we present them in this text. 1.1 Organic Molecules All organic molecules contain carbon (C) , virtually all of them contain hydrogen (H) , and
