### **Amharic English Standard Dictionary A Zekaria**

I am an English speaker and I find this dictionary makes learning Amharic simple because the Amharic / English (the first half of the dictionary) section has the Amharic word in Amharic script and language, and then that word also in English letters in the Amharic language, and then the definition in English letters and language.

### **Dictionary Amharic English English Amharic Amazon de A**

The second half of the dictionary is English / Amharic, it has an English word then the definition in Amharic script. The translation of the Amharic script word to English letters is a huge plus for me for this dictionary, one of my favorite dictionaries, The Comparative Dictionary of Geez by Wolf Leslau does the same.
