### **ECOOP 2018**

The ECOOP is the European forum for bringing together researchers, practitioners, and students to share their ideas and experiences in all topics related to programming languages, software development, object-oriented technologies, systems and applications.

### **ECOOP 2019**

The OO in ECOOP has traditionally stood for object-oriented . These days, while the conference absolutely welcomes papers that relate to OO, the scope of ECOOP is much broader and encompasses the Programming Languages field as a whole. Think of the conference as being called ECOOP: the European Conference On Programming languages .
