Hair in Funny Places, by Babette Cole, is an explanation of puberty written with humour! I love it as it introduces the concept of the physical and emotional changes of puberty in such a way, that your child will be wishing that puberty would arrive sooner!

Fab book for explaining to children what is about to start happening during puberty. Not as funny and irreverant as her other book Mummy Laid an Egg but a good detailed book that gets the basics covered without being too dull. Highly recommend.
