Post/humanitarian Border Politics between Mexico and the ...

What is the significance of the things that migrants leave behind in contemporary border struggles? In what ways do places like the desert play a role in such struggles?

Post/humanitarian Border Politics between Mexico and the ...

The author assesses the politics of different humanitarian interventions in the Mexico-US border region developing a unique perspective on the significance of people, places and things to contemporary border struggles.

Post/Humanitarian Border Politics | Request PDF

This is of critical significance under conditions whereby some people are left to die . Post-humanitarian border politics in this regard affirms life in the face of a lethal politics of life and death. The Sonoran borderzone is in this regard a site of multiple realities , rather than a singular site of domination.
